Cincinnati Silent Flyers

The ONLY all-electric RC club in Hamilton County

President: Steve Harness

Vice President: Kevin Krieg

Safety Officer: Craig Eisentrout

Treasurer: Craig Rouse

Newsletter Editor: Jerry Biscopink

Field Maintenance: Jerry Biscopink

As another flying season at CSF comes to a close, I wanted to take a moment to send a special holiday **"Thank You"** to all of our active members as well as those who follow us on Facebook and through our newsletter. The CSF truly appreciates the support that we receive from each you. We all share a common interest and enthusiasm for model aviation and are able to enjoy it in the best way at our excellent flying facility. We couldn't provide this without your generous support.

We are also thankful for another safe flying season and appreciate those who assure that this happens by providing flight instruction and general safety oversight at the field. It is always gratifying to see the support that our members provide to each other whether they are veteran flyers or novices to our hobby.

These are only a few of many things that make our club a very special one!

Let me close by wishing each of you and your loved ones a very happy holiday season. The Silent Flyers are already planning for another great season in 2018!

Sincerely,

Steve Harness

President
