CALLING ALL PILOTS !!!!

The new year has arrived and many of us are starting to think seriously about getting out and flying again. In fact, some of our members have already been to the field this year to get in early practice. Even for those of us who like it a bit warmer for piloting our aircraft, those nice flying days are drawing closer- really only a few short weeks away. So, get busy now and get those kits assembled and repairs completed so that you are fully ready to go to the field this year.

CSF members enjoyed a really great year last year with several new members joining the club and even more new aircraft and 2018 promises to be even better. We have many exciting events already planned and expect to add a few more before the year is over. Don't miss out on the fun and friendship that CSF offers to all of our members.

If you have not already renewed your annual membership then we encourage you to do so as soon as possible. We will be announcing our new gate access codes in a few weeks so be sure that you are registered as a club member to receive these.

Our 2018 CSF dues are the same as last year. The cost is \$55.00/individual and \$75.00/family. That price is really hard to beat for a year of access to our flying facility. Send your check along with a copy of your AMA card to our club treasurer:

Kevin Krieg
5566 Oakvista Drive
Madeira, OH 45227

We are still looking for a few more new members so if you know someone who is interested in learning more about RC aircraft or looking for a friendly flying club, then please ask them to contact us or to come out to the field on one of our training nights.

Finally, we want to get our newsletter to as many people as possible who are interested in our hobby even if they are not yet members. So send us their email and we will subscribe them.

Hope to see you at the field this year.

Keep Flying!!!!!!
